I have noted the copy of section 36 of the United States Immigration Law and of paragraph 5, subdivision (b), Immigration Rule 6, which appears below.

Sworn to before me this \_\_\_\_\_ day of \_\_\_\_\_, 19\_\_\_\_.

Master, First or Second Officer.

Immigrant Inspector.

## IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

## EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded; *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

## EXTRACT FROM SUBDIVISION B, RULE 6

Par. 5. Clearance shall not be granted any vessel until the lists required by section 36 have been furnished, and not then unless, notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 having been served, the deposit specified in Rule 22 has been made.

Immigrant Inspector.

## IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest.

## EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

## EXTRACT FROM SUBDIVISION B, RULE 6

Par. 5. Clearance shall not be granted any vessel until the lists required by section 36 have been furnished, and not then unless, notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 having been served, the deposit specified in Rule 22 has been made.

## EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

## IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port.

When an arriving seaman is a "workaway," a notation to that effect should be made on the manifest.

## EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. ## EXTRACT FROM SUBDIVISION B, RULE 6

Par. 5. Clearance shall not be granted any vessel until the lists required by section 36 have been furnished, and not then unless, notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 having been served, the deposit specified in Rule 22 has been made.

## IMPORTANT NOTICE TO MASTER

The list described below shall be prepared and ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port.

## EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$40 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

The list of changes of alien members of crews (Form 629) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port.

When an arriving seaman is a "workaway," a notation to that effect should be made in the manifest.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

**AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER**

I, E. J. Nilsen, Master, of the U.S.S. Carolyn, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the United States Immigration Law and of Par. 5 subdivision (b) Immigration Rule 6 which appears below.

Sworn to before me this 21 day of June, 19 25

E. J. Nilsen  
Master, First or Second Officer.

W. H. Smith  
Immigrant Inspector.

**IMPORTANT NOTICE TO MASTER**

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port.

When an arriving seaman is a "workaway," a notation to that effect should be made on the manifest.

**EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917**

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively held in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed, and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists or such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such time be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

**EXTRACT FROM SUBDIVISION B, RULE 6**

Par. 5. Clearance shall not be granted any vessel until the lists required by section 36 have been furnished, and not then unless, in case of liability to the administrative fine prescribed by said section or to that prescribed by section 35 having been served, the deposit specified in Rule 22 has been made.

The list described below shall be prepared and ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crew (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

## EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively held in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension, and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required, and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid, nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

*Comment 12 (A) Give last complete address of nearest relative or friend in country where a alien came. The entry should give name and address of such relative. If no such relative known, give name and address of friend.*

**Column 13 (Future Residence).** The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. This entry should show definitely the place and of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (Whether having a ticket for each final destination). The answer should be either Yes (checked) or No (checked).

Question 16: *By whom was passage paid?* The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Question 17: *How better in possession of \$30, and of less, how much?* The answer should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the household.

Column 18 (*Whether ever before in the United States; and if so, when and where*). The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as 1804-1807, Philadelphia.

Column 19 (If *either going to join relative or friend*, and if so, what relative or friend). The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33. These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such readmission should be given.

NOTE: Full text of question 9 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates the unlawful destruction of property, or who advocates the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, or of any individual or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

## AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Cast. L. Ar. Storch, of the Pt. Pres. Wilson from TRIESTE, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 107 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this \_\_\_\_\_ day of \_\_\_\_\_, 19\_\_\_\_

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark

Column 2 (*Heading status*).—Steamship lines should make no entries in this column. The space is for use of Government-owned ships.

Column 4 (*Age*).—The answer in this column should be expressed in years or months. The latter applying only to those under 1 year of age.

Footnote 6 (Married or single): The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Category 7 (*Training or occupation*). The entry should describe as accurately as possible the occupa-

A distinction should be made between *handlers* and *farm laborers*, regardless of the amount of work done on the farm.

A **farmer** is one who operates a farm, either for himself or for others.  
A **farm laborer** is one who works on a farm for two men who operates it.

Steamship companies should make the distinction on the invitation, and corrections should be made if necessary, by inspection and inquiry during the personal examinations of alien arrivals.

"Read what language is, if exemption is claimed upon what ground." In answering this question the language or claimed character is to be read and stated. If it is unable to read and claim exemption from the reading requirement, the ground for such exemption should be given.

Column 10 (*Race or people*). See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and measures should be introduced

ward by inspection and entry checks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Italian alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinction should be specially observed:

CERAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST ISLAND

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN

\* "Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

## ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy (i.e., components of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (southern)." Most of these people speak a Gallaic dialect of the Italian language.

## 11 MAY 1998 (continued)

[illegible]

Paragraph 12. *State that complete address of nearest relative if found in country whence alien came. The entry should give name and address of such relative.* If no such relative known, state "None known."

Paragraph 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; a country of residence, if outside the United States.

Column 1b (Whether having a ticket to such final destination): The answer should be either Yes (ticket or No (no ticket).

Column 16 (*By whom money passed*) The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, sharecropper company, etc.

Column 17 (*Whether in possession of \$20, and if less, how much*). The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place.

Column 19: *Is he/her going to join relative or friend, and if so, what relative or friend?* The answer should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 20 to 33 — these questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if an alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such readjustment should be given.

**NOTE.**—Full text of question 34 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

**AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER**

I, Carl A. Lott, Master, of the P. Pres. Sworn to before me this 23rd day of May, 1918  
at Chicago, Ill.  
Immigration Officer.

**INSTRUCTIONS FOR FILLING ALIEN MANIFESTS**

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (Head-tax status).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (Age).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry should be either M (male) or F (female).

Column 6 (Married or single).—The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass fitter, steel fitter, tool maker, wood turner, etc., and not simply an engineer, painter, miller, farmer, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money earned, as follows:

A farmer means one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the mass who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (Able to read and write).—This column is subdivided and contains the following question: "Read what language (or, if exemption is claimed, upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (Nationality).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (Race or people).—See list of races printed on back of this sheet. The entry should show the race or people, or given (or said) list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully reviewed by inspectors and registry clerks in this regard. For instance, "French" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "French" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of English, Swiss, or Jew, or any other country. In this connection the following distinctions should be especially observed:

**CUBAN.**

The term "Cuban" refers to the Cuban people (not Negroes).

**WEST INDIAN.**

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

**SPANISH AMERICAN.**

"Spanish American" refers to the people of Central and South America of Spanish descent.

**AFRICAN (BLACK).**

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

**ITALIAN (NORTH).**

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

**ITALIAN (SOUTH).**

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classed as "Italian (south)".

Column 11 (Last permanent residence).—A vessel or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence therein. The answer in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded as "United States".

Column 12 (Name and complete address of nearest relative or friend in country whence alien came).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (Final destination).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town, of intended future permanent residence, if within the United States; country, if beyond the United States.

Column 14 (Whether having a ticket to each final destination).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (By whom fare passage paid).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (If father in possession of \$20, and if so, how much).—The answer should give to each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (Whether ever before in the United States, and if so, when and where).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as (1884-1887) Philadelphia.

Column 19 (Whether going to join relative or friend, and if so, what relative or friend).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 20 to 24.—These questions are self-explanatory and the answers like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

# AFFIDAVIT OF SURGEON

I, Dr. Giovanni G. Wilson, Surgeon of the P. S. Wilson, do solemnly, sincerely, and truly swear that I have had nine years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of University of Padua, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, eighteen in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 10th day of June, 1925  
at Palermo

Note.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of the alien must be noted and certified before the affidavit is executed.  
If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

## LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens derive and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

I, Dr. Giovanni Fubini, Surgeon of the Pres. Sworn to before me this 24th day of June, 1925, at Washington.

Notar. If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed. If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

## AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Sgt. Wm. E. H. H. H., Master of the P. P. ## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Entered 4 days.—If answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Category 6. Sex. — The entry should be either M (male) or F (female).  
 Category 6. Direction of angle. — The answer should be M (marked), S (single), Wd (withed), or D (down).  
 Category 7. *Useful or ornamental.* — The entry should describe as accurately as possible the uses of the tree, or the protection of such uses as, for example, wind shelter, shade, ornamental, honey-comb, or medicinal, making emphasis here (marked, single, withed, down) as appropriate.  
 Category 8. *Useful or ornamental.* — The entry should describe as accurately as possible the uses of the tree, or the protection of such uses as, for example, wind shelter, shade, ornamental, honey-comb, or medicinal, making emphasis here (marked, single, withed, down) as appropriate.  
 A species name should be made between farms and farm families, regardless of the amount of time spent on the farm.

[illegible]

Spelling and accents should be paid to the distinction between names and the country of which citizens or subjects are natives, and property of land, and manifests should be carefully checked. It should also be noted that names of people and, especially, French appearing under the heading of "other persons" should not be included in the heading of "other persons" if the kind of person listed does not mean a "foreign" person. An Irish, German, or Italian citizen or subject should properly come under the heading of England, be considered, or any other country. In this connection the following distinctions should be especially observed:

CFBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WERT INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

## ITALIAN NORTH

The people who are native to the basin of the River Po in northern Italy (i. e., eastern Alps) to Padua, Lombardy, Venetia, and Emilia) and their descendants, whether living in the present-day United States or in any other country, should be viewed as Italian people. Most of these people speak a German dialect of the Italian language.

## ITALIAN SOUTH

[illegible][illegible][illegible]

Questions 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by the appointing authority in the examination of answers. However, in answer to question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

# AFFIDAVIT OF SURGEON

I, Dr. Cassius G. Wilson, Surgeon of the P. Pres. Wilson, do solemnly, sincerely, and truly swear that I have had some years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of University of Adria, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, thirty in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 20th day of July, 1918  
at Adria

Note.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of an alien shall be noted on the manifest before the alien is re-examined.  
If a surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

## LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens spring and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

# AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, \_\_\_\_\_ of the \_\_\_\_\_, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the United States Immigration Law and of subdivisions 3, (a) and (b) of Immigration Rule 10 which appear below.

Sworn to before me this \_\_\_\_\_ day of \_\_\_\_\_, 192\_\_\_\_, \_\_\_\_\_ Master, First or Second Officer.  
\_\_\_\_\_, Immigrant Inspector.

## IMPORTANT NOTICE TO MASTER

The list described below shall be prepared and ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 689) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port.

## EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of 10 \$ for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

## IMPORTANT NOTICE TO MASTER

The list described below shall be prepared and ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. # AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, GEORGE ROSE, MASTER, of the U. S. M. S. AMERICAN LEGION, from SANTOS, BRAZIL, do solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 1 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 1 (Full name)—Shipmaster should make an entry in this column. The space is for use of Government officers only.  
Column 2 (Age)—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.  
Column 3 (Sex)—The entry should be either M (male) or F (female).  
Column 4 (Married to wife)—The answer should be M (married) or S (single). With widowed, or D (divorced).  
Column 5 (Occupation)—The entry should describe as far as possible the occupation, trade, or profession of each alien, as, for example, U. S. engineer, steamship engineer, seaman, engineer, sailing engineer, steam engineer, pilot, painter, wood worker, carpenter, etc., and not simply an engineer, painter, etc., without further designation.  
A notation should be made between husband and wife, laborer, regardless of the amount of money shown, as follows:  
A laborer is one who operates a farm, mine, or for others.  
A farm laborer is one who works on a farm for the man who operates it.  
Shipmaster should make an entry in this column, and the answer should be true or false.  
Column 8 (Date of last visit)—This column is subdivided and contains the following questions: "Date of last visit" (if not in United States, when last visited); "In answering this question, the language in which the entry is made should be stated. If there is a doubt as to what language to use, the language of the country, the ground, or such country should be given."  
Column 9 (Nationality)—Question 9 should be answered to show the country of which alien is a citizen or subject.  
Column 10 (Place of birth)—This line is to be printed on back of this sheet. The entry should show the place of birth as given in full.  
Special attention should be paid to the distinction between race and the country of which citizen or subject. Country of last permanent residence, and country of birth and nationality should be given, and not the country of origin or the country of first arrival. For instance, "French" appearing under the head of country does not mean "French" by race or people, and "French" appearing under the head of date of last visit does not mean "French" by country. An Irish, German, or Italian alien is not a subject of any country unless he has taken the oath of allegiance to the United States. In the case of the following, the answer should be "Irish":  
The Irish (Celtic) race to the Celtic people (Irish, Scotch, Welsh, etc.).  
WEST INDIES.  
West Indian refers to the people of the West Indies other than either Cuban or Negroes.  
SPANISH AMERICAN.  
Spanish American refers to the people of Central and South America of Spanish descent.  
AFRICAN.  
African (black) refers to the African Negro, whether coming from Cuba or other islands of the West Indies, or from Africa. Any alien with ancestry of African descent should be marked under this heading.

ITALIAN (NORTH).  
The people who are native in the lands of the River Po in northern Italy (i. e., Lombardy, Piedmont, Liguria, Veneto, and Emilia) and their descendants, whether residing in Italy, Brazil, or elsewhere, should be marked as "Italian (North)". Those of whom people speak a Latin dialect of the Italian language.  
ITALIAN (SOUTH).  
The people who are native to that portion of Italy south of the River Po (i. e., Campania, Calabria, Basilicata, Sicily, and Sardinia) and their descendants should be marked as "Italian (South)".  
Column 11 (Last permanent residence)—Answer in this column should show the last permanent residence. The last country in which alien resided shall be the answer, whether or not alien is now in that country. The entry should show the country and city or town of last permanent residence. It is important for statistical purposes that alien's permanent residence be shown, not that of his present residence independent of country of permanent residence, country of birth, nationality, or race.  
Country of last permanent residence of alien who is permanent resident in the United States and is returning from a visit should be "United States".  
Column 12 (Name and address of nearest relative)—Answer in this column should show the name and address of nearest relative of alien in United States, if any. If no such relative is known, give name and address of friend.  
Column 13 (Place of destination)—The answer to this question shall show the intended "last permanent residence". An intended residence of one year or more shall constitute permanent residence. The entry should show the place (city or town) of intended residence, permanent residence, if possible, the United States, if not, the country of intended residence.  
Column 14 (If better known, state to which foreign destination)—The answer should be either "Yes (ticket)" or "No (no ticket)".  
Column 15 (If better known, state to which foreign destination)—The entry should show destination by which alien is going, as, for example, "Lima, Peru", "London, England", "New York, U. S.", etc.  
Column 16 (If better known, state to which foreign destination)—The answer should be given in full, as, "Lima, Peru", "London, England", "New York, U. S.", etc.  
Column 17 (If better known, state to which foreign destination)—The answer should be given in full, as, "Lima, Peru", "London, England", "New York, U. S.", etc.  
Column 18 (If better known, state to which foreign destination)—The answer should be given in full, as, "Lima, Peru", "London, England", "New York, U. S.", etc.  
Column 19 (If better known, state to which foreign destination)—The answer should be given in full, as, "Lima, Peru", "London, England", "New York, U. S.", etc.  
Column 20 (If better known, state to which foreign destination)—The answer should be given in full, as, "Lima, Peru", "London, England", "New York, U. S.", etc.

# AFFIDAVIT OF SURGEON

I, WILLIAM E. DODGE, Surgeon of the U. S. M. S. AMERICAN LEGION SAILING THEREWITH, do solemnly, sincerely, and truly SWEAR that I have had 20 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of STATE OF ILLINOIS, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 1 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

# AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, GEORGE ROSE, MASTER, of the U. S. M. S. AMERICAN LEGION, from MONTVIDEO, do solemnly, sincerely, and truly SWEAR that I have caused the person of said vessel, sailboat, or the steamer employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing List of Manifest Sheets, 1 in number, and that from the report of said surgeon and from my own examination, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said List of Manifests concerning each of said aliens named therein is correct and true in every respect.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 1 (Load or status).—Steamship lines should make no entries in this column. The space is for use of Government officials only.  
Column 2 (Age).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.  
Column 3 (Sex).—The entry should be either M (male) or F (female).  
Column 4 (Married or single).—The answer should be M (married) or S (single). Widowed or D (divorced).  
Column 5 (Calling or occupation).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien entered, as for example: Civil engineer, steamship engineer, bookkeeper, painter, musician, hotel porter, stock peddler, and similar, vessel master, etc., and use correct or English, Polish, Russian, or other suitable designation.  
A distinction should be made between primary and farm laborers, regardless of the amount of money shown, as follows:  
A farmer is one who operates a farm, either for himself or for others.  
A farm laborer is one who works on a farm for the land owner.  
Steamship companies should make this distinction on the manifests, and, if necessary, by inspectors and registry clerks during the physical examination of alien arrivals.  
Column 6 (Read or write).—This column is subdivided and contains the following questions: "Read what language (or, if exception is claimed, upon what ground)?" In answering this question, the language or dialect the alien is able to read should be stated. If alien is unable to read and cannot communicate, then the reading requirement, the ground for such exemption should be given.  
Column 7 (Nationality).—Question 7 should be construed to mean the country or countries of which alien is a citizen or subject.  
Column 8 (Race or people).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.  
Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully checked by inspectors and registry clerks in this regard. For instance, French appearing under the head of race is not the same as French by race or people, and similarly, French appearing under the head of country does not mean French by country. An Irish, German, or Italian, even if one single people, is not under the heading of English, Swiss, or any other country. In this connection the following distinctions should be especially observed:  
CUBAN.—The term "Cuban" refers to the Cuban people (not Negroes).  
WEST INDIAN.—The term "West Indian" refers to the people of the West Indies other than either Cubans or Negroes.  
SPANISH AMERICAN.—The term "Spanish American" refers to the people of Central and South America of Spanish descent.  
AFRICAN (black).—The term "African (black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, North or South America, Europe, or Africa. Any alien with ancestry or blood of the African Negro should be classified under this heading.

Column 9 (Last permanent residence).—The entry should show the last permanent residence of the alien, as for example, the last country in which the alien resided for one year or more prior to the date of his arrival in the United States. The entry should show the place, city, or town, and state or country of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of birth, country of last permanent residence, or last permanent residence of alien who are permanent residents in the United States and are returning from a visit abroad should be marked "United States."  
Column 10 (Name and complete address of nearest relative residing in country whence alien came).—The entry should give name and address of such relative in such relative living, giving name and address of friend.  
Column 11 (If not destination).—The answer to this question shall show the intended country of permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city, or town, of intended permanent residence, if within the United States; country, if outside the United States.  
Column 12 (If not having a ticket in each hand destination).—The answer should be either Yes (ticket) or No (no ticket).  
Column 13 (If not having a ticket in each hand destination).—The entry should show definitely in which country the alien is to be landed, either by land, by sea, or by air, and if by sea, the name of the vessel, and if by air, the name of the airline.  
Column 14 (If not having a ticket in each hand destination).—The answer should give in each case the amount of money brought by the alien, and if the money is to be divided among the several members of the family.  
Column 15 (If not having a ticket in each hand destination).—The answer should show whether or not (Yes or No) in the United States, before and if so, the year (or period of years) and place, as, 1894-1897, Philadelphia.  
Column 16 (If not having a ticket in each hand destination).—The answer should show, whether going to join relatives or friends, and if so, what relatives or friends, with names and complete address.  
Column 17 to 20 (If not having a ticket in each hand destination).—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspectors and officers of the examination of aliens. However, in answering question 20, if alien has been deported within one year and the Secretary of Labor has authorized him to apply for admission, the authority for such reapplication should be given.

Sworn to before me this 22 day of JUNE, 1925

SURGEON.

Note.—If a surgeon sails with the vessel, this affidavit of examination shall be examined before an immigration officer at port of arrival and any change that may have occurred in the condition of any of the aliens must be noted and the affidavit re-examined.

I, \_\_\_\_\_ of the \_\_\_\_\_, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the United States Immigration Law and of Par. 5 subdivision (b) Immigration Rule 6 which appears below.

Master, First or Second Officer.

Swear to before me this \_\_\_\_\_ day of \_\_\_\_\_, 19\_\_\_\_

Immigrant Inspector.

## IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall be taken from the vessel. The list of changes of name members of crew (Form 287), shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port.

When an arriving seaman is a "workaway," a notation to that effect should be made in the manifest.

## EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port or place containing the names of all persons employed on such vessel, stating the positions they respectively hold in the vessel company, when and where they were respectively engaged or engaged, and specifying those to be paid off and discharged in the port of arrival, or lists containing so much of such information as the Secretary of Labor may by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as practicable, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed, and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of each alien arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded. *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.
